

CAMPEONES DE LA RIDERS CUP

RIDERS CUP FORMER CHAMPIONS

La Riders Cup tiene un reglamento particular según el cual, cuando ha terminado el torneo, la organización selecciona a los 16 mejores atletas del día, y los enfrenta en 2 semifinales y una final.

Solo hay un vencedor.

Pero para obtener la preciada copa en propiedad hay que conseguir la victoria en 3 ocasiones, no necesariamente consecutivas.

Cada año el nombre del vencedor es inscrito en la base de la Copa.

Hasta ahora solo una persona ha conseguido tal hazaña: **Carminé Falcó**.

Riders Cup has its own rule: when all is said and done, the organization will chose the 16 best of the day , run two semis, a final, and only one will remain as champion.

Every year the Champion name is printed on the Cups plate.

But isn't as easy.

You have to win the Cup three times (not just in a row) to take it home.

Right now, **Mr. Carmine Falco** is the LEGEND.
